

# How to Get Started

\*Take out your smartphone and head to App resitory to download MetaMask Mobile.

\*Open the app and MetaMask will step guide you through your account set up and wallet creation or just welcome back

The screenshot shows the MetaMask mobile app's login interface. At the top, there's a status bar with icons for signal, Wi-Fi, and battery (37%), along with the time 22:14. Below this is a large orange fox head icon. The text 'Welcome Back!' is centered in a bold, black font. Underneath is a 'Password' label followed by a text input field containing the placeholder text 'Password'. Below the input field is a 'Remember me' label with a toggle switch to its right. A large blue button with the text 'LOG IN' in white is positioned below the toggle. At the bottom, there's a link that says 'Can't login? You can ERASE your current wallet and setup a new one'.
